## **FIRE EDUCATORS TO PRESENT SENIORS WITH LIFE SAVING TIPS**

**GLENDALE, Ariz.** –In an effort to decrease fires, injuries, and accidents, Glendale Fire Educators will conduct a 2-hour safety and injury prevention presentation to Glendale Seniors.

The Senior Educators will provide information on smoke detectors, escape planning, and hazard identification around the home at the Glendale Community Center located at 5401 W. Ocotillo on March 31<sup>st</sup>.

The Senior Education program promotes life safety and injury prevention throughout the year to our senior community. Each year thousands of senior citizens are injured, many seriously as a result of accidents in the home that can be easily prevented.
